**Updated:** 1/15/08

**Synopsis:** Tennessee Exotic Pest Plant Council serves in raising public awareness and providing educational, advisory, and technical support council on all aspects of exotics, and facilitating the exchange of information concerning management and control of invasive exotic plants. TN-EPPC provides a forum for all interested parties to participate in meetings, workshops, and an annual symposium, and to share the benefits from the information provided by TN-EPPC. TN-EPPC also initiates campaign actions to prevent further introductions.
